

## LEARNING IS NEVER DONE

Build a culture where pupils want, expect and relish challenge

## FOLLOW-UP BECOMES A HABIT

Make a habit of asking follow-up questions to successful answers

## DIVERSITY OF QUESTIONS

Think about different ways to stretch pupils with a broad variety of question types

## OBJECTIVE-ALIGNED GOALS

Reserve follow-ups for questions that align most closely to your objectives

## NONDIRECTIONAL PROMPTING

Allow pupils to decide what they think is important to talk about or improve on
